Mental Wellbeing in the Community

A networking and information sharing event for community and professional organisations.

The evening workshop will present local case studies from across South Cambridgeshire, aiming to share knowledge, experience, and expertise. There will be a number of short talks from those working to improve mental wellbeing in their communities, and information stalls run by local charities and organisations whose work impacts upon and tackles mental health issues and helps mental wellbeing. To register please email your name, contact details, and organisation/village to Duty.Communities@scambs.gov.uk
